Cookies Policy

How we use cookies

A cookie is a small text file that is stored on your computer or other device when you visit a website. They are very widely used in order to make websites function properly, or more efficiently, as well as provide information to the owners of the site.

Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

Overall, cookies help us provide you with a better website, by enabling us to monitor which pages people find useful and which not. A cookie in no way gives us access to your computer or any personal information about you, other than the data you choose to share with us. Silicon CPV Ltd uses cookies to collect information about your usage of our website. This helps us to give you the best possible user experience.

When browsing our website, we collect information regarding which pages you have visited so that we may promote relevantly to you at a later time. This is done through a network such as Google Display Network remarketing campaign and means that third party vendors, including Google will show Silicon CPV Ltd ads across the internet. Users may opt out of Google's use of cookies by visiting the Google advertising settings page.

By using the Silicon CPV Ltd websites, you imply consent to the use of cookies. However, if you do not consent to the use of cookies, please ensure that your browser or computer/device is set to reject or prompt before accepting third party cookies. This may prevent you from taking full advantage of the website.

Third Party Cookies

When you visit the Silicon CPV Ltd websites you may notice some cookies that aren't related to Silicon CPV Ltd.

If you go on to a web page that contains embedded content, for example from YouTube, you may be sent cookies from these websites. We do not control the setting of these cookies, so please check the third-party websites for more information about their cookies and how to manage them.

Silicon CPV Ltd 'share' tools

If you take the opportunity to 'share' content from Silicon CPV Ltd websites with friends through social networks - such as Facebook and Twitter - you may be sent cookies from these websites. We don't control the setting of these cookies, so please check the third-party websites for more information about their cookies and how to manage them.
